200+ Sessions

FINTECH

500+ B2B Meetings

In December 2019, Berlin will host the 4th edition of FinTech Junction, a must-attend event that will bring together over 2,000 fintech leaders from around the world, to discuss the latest technologies and innovation disrupting the financial services industry.

The financial services industry is being disrupted at a faster pace than ever before by an increasing number of startups and technologies. Companies that fail to innovate will eventually disappear.

FinTech Junction provides an unparalleled opportunity to learn about the latest in fintech innovation and to meet the people driving the disruption. It is a must-attend event for organisations and individuals who want to stay relevant and drive growth in their businesses.

We invite you to join us for this one of a kind event!
